Training Subsidy Program (TSP) Policies

- Only in-person training that took place within Canada will be reimbursed – international training is not currently eligible unless online.
- Teacher training is not eligible. Please consider membership with the Dancer Transition Resource Centre (DTRC) for parallel career management and training.
- When workshops straddle a TSP period (e.g. February 1–March 15) we will accept it at either deadline (but only once).
- When payment is in advance of training dates and these dates straddle TSP periods, please submit using the training dates to avoid complications should your plans change. Contact us if this presents any difficulties.
- For annual expenses (e.g. a gym membership), we will accept the entire amount within a single claim period based on the date of the receipt.
- The minimum claim amount for each period is \$25.00. Claims made under this amount will not be approved.

Please contact cadaeast.membership@gmail.com if you have any questions regarding these policies.

If you reach your reimbursement cap before the year has ended, please keep sending in your forms. We keep statistics on artists' training costs, and these help CADA/East advocate for increased support from funders and sponsors for the Training Subsidy Programs!
